- A course of 6-10 sessions is recommended for optimal results. Sessions are 6-8 weeks apart for the body and 4-6 weeks apart for the face.
- If you have had a course of antibiotics, you will need to have stopped your last intake of antibiotics 4 weeks prior to any treatment being performed.
- Shaving Fee: you need to attend your appointment fully shaved. If at your appointment you attend without shaving, a £25 shaving fee will be applied and this can also reduce to your appointment time and can also result in the treatment not being able to go ahead on the day.
- No waxing, epilating or hair removal creams are to be used 4-6 weeks prior to any treatment

Please note, any courses or pre paid treatments must be used within 2 years and are not refundable or transferable
